The University of Alabama Employee Resource Center

LOCATION - Employee Resource Center at 1515 Flint River Drive, Tuscaloosa, AL

The ERC is a one story, red-brick building and has an electrical substation in front of the main entrance (Not attractive – but really helps folks locate our space!) There is parking in front of the building and two large lots across the street mark our north and east sides.

Google Maps Directions:  https://goo.gl/maps/dnxQBsgPPVq  (Please note that Google Maps refers to Flint River Drive by its old name, Sipsey Lane.)

Thank you,

HR Learning and Development
